Dear Sir:

In response to the Office Action dated March 12, 2003 (Paper No. 4), please amend the above-identified U.S. patent application as follows:

**In the Claims**

AI

1. A reputation authority for electronically storing reputation information relating to a user comprising:

- a database for storing said reputation information;
- security measures for verifying identities of at least one of said user and a plurality of community organizations; and
- a communication system for receiving said reputation information and transmitting said reputation information to said plurality of community organizations responsive to an authorization received by said user.
